

## **CALL for participation in YOUTH GROUP KNOWLEDGE POOL**

### **Translocal : Museum as Toolbox**

Museums don't have to be boring, complicated and only interesting for experts. If you could dream up a museum, how would it be? We would like you to help us create the art museum where you and your peers would love to spend time.

This is a great opportunity to gain experiences and make new friends while working alongside artists and other creative people. We care what you have to say and that's why we invite you to come on board and participate in the success of this amazing project. Make your voice heard!

A cooperation project between Kunsthaus Graz (Austria), Kumu Tallinn (Estonia), MSU Zagreb (Croatia), Museion Bozen (Italy) and MS Łódź (Poland)  
Co-funded by the Creative Europe Programme of the European Union
